

Bee – Safe

Castlereagh Community Safety Partnership funded a Bee Safe programme of activities at Knock Presbyterian Church on the 4th/5th May 2010, aimed at approximately 320 P7 children attending the local schools, who were made aware of how to react to dangerous situations in the home, the role of crime prevention, avoiding becoming the victims of crime, understanding the role of the emergency services and the development of good relationships with various authorities.

Local schools involved being Belvoir Park, St. Joseph's, Brooklands, Lisnasharragh, Loughview and Cairnshill Primary. Presentations were given by Castlereagh Council, Castlereagh Environmental Health, Castlereagh Home Accident Prevention, Northern Ireland Electricity, Royal National Institute of the Blind, Translink, Northern Ireland Fire & Rescue, Police Service Northern Ireland.
